Seniors	1601	12%
Veterans	455	4%

\*Survey respondents included owners (83%), renters (4%), land-contract holders (3%), and others (8%). 92% of responses were from Cobo and WCCC attendees. Survey respondents were asked if they personally occupied the home in the 400+ surveys returned at the 18 community-hosted events. Of those, 88% indicated that they were owner occupants of the property in question.
